

2026 Great Lakes

# Damage Prevention Conference & Expo

A CGA REGIONAL PARTNER EVENT  
PRESENTED BY MISS DIG 811

## Greg Brooks

Director of Safety & Compliance, MITA

### Damage Prevention and Damage Investigations for Excavators

Tues. 2/3

2:00 p.m.

Banquet Rooms 7 & 8

Greg serves as the Director of Safety and Compliance for MITA, where he leads initiatives to promote workplace safety and regulatory compliance across the industry. He is a certified Red Cross First Aid/CPR Trainer and an OSHA-approved instructor for both OSHA 10 and OSHA 30 courses. Greg's work includes conducting inspections, providing safety training, assisting with MIOSHA appeals, addressing compliance matters, and resolving utility locating issues. In addition to his role at MITA, he serves on the Michigan Damage Prevention Board (MDPB), contributing his expertise to advancing safety and damage prevention statewide.
