Director, M.L. Chartier

HydroExcavation: The Safest Excavation Method

Wed. 2/4

11:00 a.m.

Banquet Rooms 1 & 3

Megan Chartier is a Director at M.L. Chartier and a member of the Chartier family, with lifelong involvement in the construction and environmental services industry. Having grown up around field operations, Megan brings a practical, operations-focused perspective shaped by years of exposure to excavation, environmental, and hydrovac work. Her experience emphasizes understanding how projects function in real-world conditions, with a focus on safety, efficiency, and long-term industry stewardship. Megan supports practical approaches that help crews perform quality work while meeting environmental and project requirements.
