

2026 Great Lakes

Damage Prevention Conference & Expo

A CGA REGIONAL PARTNER EVENT
PRESENTED BY MISS DIG 811

Nicholas Krzemeninski

Vice President of Operations, Michigan Gas Utilities /
Minnesota Energy Resources

Large Community Response to a Gas Outage

Tues. 2/3

1:00 p.m.

Meeting Rooms 101 & 102

With more than 25 years of leadership experience in the utility industry, Nicholas brings deep operational expertise and a strong focus on safety, reliability, and continuous improvement. Throughout his career, he has led large, diverse teams and overseen complex gas operations, driving innovation while maintaining a strong commitment to regulatory compliance and damage prevention. Known for his collaborative leadership style, Nicholas works closely with industry partners, regulators, and field teams to support safe excavation practices and protect critical underground infrastructure.
