11:00 a.m.

Exhibit Hall C

Joe McGraw serves as the Director of Damage Prevention and Claims at Consumers Energy, where he leads strategic planning and execution for companywide damage prevention and claims programs. Since joining Consumers Energy in 2005, Joe has been instrumental in advancing public safety initiatives across Michigan.

He currently serves as President of the Michigan Damage Prevention Board and is an active member of the MISS DIG 811 Board of Directors and several statewide committees, fostering collaboration and improving processes to enhance safety. In recognition of his leadership and advocacy, Joe received the **2024 Safe Digging Advocate Award** from MISS DIG 811.
