Sarah McKenzie

Senior Damage Prevention and Public Awareness Liaison, DTE Energy

Preparing for BEAD – Michigan’s Statewide Fiber Workgroup

Tues. 2/3

11:00 a.m.

Banquet Rooms 1 & 3

Sarah McKenzie is a Senior Damage Prevention Liaison serving the Greater Michigan gas territory from Grand Rapids to Iron Mountain for DTE Energy. Focused on risk mitigation in the field through being safe, dependable, efficient, and caring by conducting pre-construction meetings and site investigations. Sarah started at DTE in Electric Planning in 2018 and in 2019 moved to the DTE Gas Damage Prevention team in Detroit, MI. In 2021 she took the responsibility of developing a team to support excavators in the field in Grand Rapids. In 2022 she received the 2023 Safe Digging Advocate Award from Miss Dig. She currently serves on the Best Practices Committee, the sub-committee for the Michigan Damage Prevention Board.
