### Your Responsibilities

- Be sure the work location is accessible to facility owners/operators and their contract locators.
- Do not proceed with your works until the legal start date/response due date has arrived and ALL facility owners/operators have responded that it is safe to dig.
- When working within 48" of any facility marking, hand dig to expose the line prior to using power equipment.
- If you make contact with a line, you are required to contact the facility owner immediately.
- **If you need assistance, please contact Web Ticket Support at [webticketdept@missdig811.org](mailto:webticketdept@missdig811.org)**
