

# Contractor/Excavator Associate Membership

## General

This document contains information on your organization becoming a Contractor/Excavator Associate Member of the MISS DIG 811 System. Once completed and returned to MISS DIG 811, we will be able to establish your organization as an associate member of MISS DIG 811 and provide corresponding access to our System.

Contractor/Excavator Associate Membership is designed for organizations that intend to use MISS DIG 811 PelicanCorp OneCallAccess features including Excavator PosR API/Webhook and/or Ticket Injection API.

**Excavator PosR API/Webhook** delivers Positive Response updates to an organization’s work management system on tickets placed by enabled OneCallAccess user accounts when the following occur: ticket creation, member response, all members have responded, and the legal start date has been reached.

**Ticket Injection API** provides enabled users the ability to “inject” or push tickets into the MISS DIG 811 System from their work management system.

If while completing this document, you have any questions, please contact the MISS DIG 811 Member Services Department at [membersupport@missdig811.org](mailto:membersupport@missdig811.org) or (800) 482-7161.
