

# Vendor Associate Membership

## General

This document contains information on your organization becoming a Vendor Associate Member of the MISS DIG 811 System. Once completed and returned to MISS DIG 811, we will be able to establish your organization as an associate member of MISS DIG 811 and provide corresponding access on our System. If you are a damage claims organization or contracted to complete mapping, an Agent Letter from each of your facility owner/operator customers is required. If you are receiving tickets from MISS DIG 811 or posting to Positive Response on behalf of a facility owner/operator member, Contract Locator Associate Membership is required instead, as well as an Agent Letter from each of your customers.

As referenced above, an Agent Letter from each of your facility owner/operator member customers is required to establish this access.
