MISS DIG 811 – Scheduled Maintenance

Thursday, October 22, 2026 at 12:00 AM – 4:00 AM (ET)

MISS DIG 811 will perform scheduled maintenance to deploy system updates and improvements.

What's Included:

- Improvements to notifications and system recovery.
- OneCallAccess branding and interface updates.
- Updates to DPP and Authority Viewer functionality.
- Fixes to Android mobile and Positive Response screens.
- General bug fixes and system improvements.

 No action is required from users.

Please note that services may be intermittently unavailable during the maintenance window.

Thank you,
-The MISS DIG 811 Team
