

LAND USE MEMBERSHIP

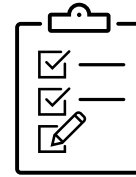

MISS DIG 811

NEED ACCESS TO THE SYSTEM BUT NOT SURE WHERE YOU FIT? CHECK OUT VENDOR ASSOCIATE MEMBERSHIP.

Are you responsible for contaminated land or a disposal site? Or perhaps you own a right-of-way and need to know when work is occurring near or on the land. If any of these apply, Land Use Membership is right for you.

WHAT DOES IT MEAN TO BE A MEMBER?

This membership includes:

- A unique Land Use station that receives an automated Positive Response.
- Notice of when excavation is set to occur on or near your land, allowing you to confirm excavation is approved and completed safely.

Begin your onboarding process today by completing the Facility Owner Membership document located under *New Member Paperwork* at resouces.missdig811.org.
