

UTILITY COMPANY MEMBERSHIP INFO

**DID YOU KNOW MISS
DIG 811 WAS
ESTABLISHED BY FIVE
UTILITY COMPANIES
IN THE METRO
DETROIT AREA?**

Membership in MISS DIG 811 empowers you to protect your underground infrastructure and ensure service to your customers is not interrupted.

**WHAT DOES IT
MEAN TO BE A
MEMBER?**

As a member of MISS DIG 811, unique stations will be established for your underground infrastructure. Stations are required for infrastructure not on private property.

- Underground facilities located outside of privately owned land must be located and marked with APWA color codes within the legal response time.
- Positive Response is then posted so the excavator knows that the underground utilities have been marked.
- MISS DIG 811 can deliver tickets to multiple locations and deliver based on location.

Begin your onboarding process today by completing the Facility Owner/Operator Membership document located under *New Member Paperwork* at resources.missdig811.org.
