Thank you for registering your intention to dig with MISS DIG 811. Remember to always follow these 4 excavation safety tips:

1. Click Before You Dig and give the required minimum notice.
2. Wait for all notified facility owners to respond by providing clearance, OR by identifying the location of their facilities with maps or by placing locate marks on the ground.
3. Respect the marks.
4. Excavate with care and hand dig near buried facilities.

MISS DIG 811 does not maintain information regarding the specific location of underground utilities nor do we mark the lines. MISS DIG 811 facilitates communication between the users of this service and the buried facility owners and operators who are members of the program. If you have a question regarding a specific facility, please contact the owner directly.

Note that facility owners will locate only those facilities that they own and/ or operate. Customer-owned or privately buried facilities will not be marked.

All users of this service acknowledge that they have a duty of care to observe with regards to underground facilities when digging. Please refer to the MISS DIG 811 guidelines for details of the process.
